

Lesson Plan 2023-24 (Even Semester)

(Jan. to June 2024)Chemistry–B.Sc IV Sem and VI sem

Faculty:- Ms. Monika Department :-Chemistry

Month	Jan.	Feb.	March	April
BSc -IVsem	Organic Chemistry Section A: Infrared Spectroscopy	Organic Chemistry Section B: Amines	Organic Chemistry Section C: Nitro Compounds and Diazonium salts	Organic Chemistry Section D: Aldehydes and ketones
B.Sc VIsem	Organic Chemistry Section A: Heterocyclic Compounds I Sector B: Heterocyclic Compounds II and organosulfur Compounds	Physical Chemistry Electronic Spectrum, Photochemistry Inorganic Chemistry Section A: Organometallic Compounds	Organic chemistry Section C: Organic Synthesis via Enolates and Synthetic Polymers Section D: Amino acids, peptides and proteins Inorganic Section B: Acid and bases	Inorganic Chemistry C: Bioinorganic chemistry Section D: Silicones and phosphozenes
