Lesson Plan 2023-24 (Even Semester)

(Jan. to June 2024)

Chemistry– B.Sc II ,B.Sc IV Sem

Faculty:- Dr. Varsha Sharma

Department :-Chemistry

Month	Jan.	Feb.	March	April
BSc -IIsem	Inorganic Chemistry Section A: Hydrogen Bonding & Vander Waals Forces Metallic Bond and Semiconductors Organic Chemistry Section A: Alkenes Physical Chemistry Section A: Kinetics-I	Inorganic Chemistry Section B: Chemis try of Noble Gases s-Block Eleme nts Organic Chemistry Section B: .Arenes and Aromaticity Physical Chemistry Section B: Kinetics-II	Inorganic Chemistry Section C: p-Block Elements Boron family (13th gp):- Carbon Family (14th group) Organic Chemistry Section C: Dienes and Alkynes Physical Chemistry Section C: Electrochemistry-I	InOrganic Chemistry Section D: Nitrogen Family (15th group) Oxygen Family (16th group) Halogen Fami l y (17th group) Organic Chemistry Section D: Alkyl and Aryl Halides PhysicalChemistry Section D: Electrochemistry-II
B.Sc IVsem	Inorganic Chemistry Section A: Chemistry of Elements of Ist transition series: Physical Chemistry Section A: Thermodynamics-I	Inorganic Chemistry Section B: Chemistry of Elements of IIInd & IIIrd transition series Physical Chemistry Section B: Thermodynamics-II	Inorganic Chemistry Section C: Coordination Compounds Physical Chemistry Section C: Chemical Equilibrium	Inorganic Chemistry Section D: Non-aqueous Solvents Physical Chemistry Section D: DistributiOn Law
