10) Women cell organized various activities for the college students from 1st March to 8th March, 2020 in lieu of International Women's Day on 08/03/2020. Poster making competition was organised on 02/03/2020 and Soft board making competition on 03/03/2020. On 04/03/2020, an awareness session was organized for the college students by ASI, Ms. Geeta Chauhan, Mahila Police Thana, Sector 16A, Faridabad along with the team of Durga Shakti. In this session, Ms. Geeta addressed the students and made them aware about the Durga Shakti App started by Haryana Government for women's safety. Our worthy Principal madam Ms. Namarta Sharma also addressed the students mentioning the importance of this app. Around 70 students participated. College level marathon of 3 km was organised on 05/03/2020. Around 60 students actively participated in this marathon with

the full enthusiasm to celebrate womanhood. Mask making, poem recitation and dance competition was organised on 06/03/2020. Street play on the topic “violence against women” was also organized. A group of 06 students of BBA I year beautifully executed the play and showed how a majority of women have experienced physical and/or sexual violence once in their lifetime. Women Cell organised a legal awareness camp on the occasion of international women’s day on 07/03/2020. On this occasion, Advocate Sangeeta Sharma addressed the students regarding their rights, steps they can take against any type of harassment in the society and also about the various schemes of DLSA for the girl students. Debate competition on women empowerment was organised on 08/03/2020.

2. Infrastructure Augmentation, Renovation, Repair and Lab Upgradation under RUSA

College has witnessed tremendous progress under RUSA. Besides the renovation work of the building etc, the overall face of the college has seen technical upliftment and upgradation. College infrastructure is being upgraded in each and every aspect. Development in the college is being carried out with the help of grant allocated under RUSA. Students are enthusiastic about the new tools and upgradation of the college infrastructure. Various reformative features which have been added to the college will play a definite role in uplifting the cause of Higher Education by lending it an extra edge to be at par with the changing time which is quite technical and hi-tech.

The college has been allocated a sum of Rs. Two crores in a span of four years (2016-20) in four instalments.

1. The number / strength of the students enrolled in the college has increased many folds since its inception. This required more classrooms and furniture. With the help of RUSA grant a teaching block of four rooms has been constructed in the college premises and also classroom furniture like desks, green boards and lecture stand have been procured through this grant.

2. The institution is quite old, so some of the blocks required renovation and face upliftment. Through RUSA grant, administrative block and old commerce block have been renovated. The old commerce block is one of the oldest blocks and was in bad shape. With the help of this grant the whole building has been repaired. Broken floors of the classrooms have been repaired. The broken windows and doors of the classrooms have been repaired. Students are happy to attend classes in renovated rooms. The whole building has been repaired.

3. The outlook of the administrative block has been changed with granite flooring. The seepage in the library and computer lab (administrative block) has been taken care of with this grant. The broken doors, windows and wooden almirahs have been repaired which was very important as student’s records and other essential documents are housed in this block only.

4. The basic necessity of better washrooms for the students has been met with this grant.

5. As ours is a girls college, considering the security and the safety of the students the boundary wall has been raised and iron bars have been placed.

6. The Tourism and Mass Communication departments have been equipped with more computers, computer tables, chairs and smart teaching devices. This has helped students of these professional course in gaining more practical knowledge and exposure. Students are gradually adopting E-learning techniques and are also using these devices for making Power Point presentations.

7. A big hall which was being used as a dump yard for a long time has been converted into a beautiful multipurpose hall with the help of this grant. The hall is being used for organising various co-curricular activities, recently college hosted its 26th convocation in the hall passed out students was very upbeat seeing the development in the college.

8. The Science lab for physics and mathematics practical has been equipped with computers for the benefit of students.

9. The Psychology lab has been equipped with more practical material- psychometric test and other devices, which has helped students in doing extensive practical work.

10. Smart classrooms have been setup faculty members are using these A/V aids for effective teaching. Now students are eager in attending these classes because lectures are supported by visuals which makes learning more easy.

11. Professional video camera and audio system for Mass Communication dept. have been procured through this grant. Now students can gain hands on experience of electronic media.

12. Generator online UPS and Offline UPS have been purchased for uninterrupted power supply which aids in smooth conduct of practical in labs.

13. The library, computer labs, and other various departments have been equipped with printers.

14. The college has been updated with new tools of communication like digital podium, upgraded computers with online UPS backup for uninterrupted power supply. New class rooms have been set up. New furniture: Computer tables, Computer chairs, dual desks and lecture stands have been procured.

15. 200 dual desk, 8 computer chair and tables, 10 lecture stands purchased.

16. 3 Printers have been purchased

17. Renovation of college gate and access road.
