

First Aid Facility: Prioritising Health & Safety on Campus

A well-equipped First Aid Facility is available on campus to ensure immediate medical assistance in case of minor injuries or health concerns. The facility is stocked with essential medical supplies and is easily accessible to both students and staff.

Trained personnel are designated to provide prompt first aid support during academic hours and campus events. In case of emergencies, the institution has a swift response system in place, with tie-ups for nearby medical services and hospitals for further treatment if needed. create image for the above

By maintaining a proactive approach to health and safety, the campus ensures a secure and supportive environment where well-being is a top priority.
