About the College: - The sprawling college campus of Govt. Women college at sector 16A, Faridabad is spread over an area of 6.2 acres which includes College building, garden and sports area. The college came into existence as a fully fledged institution in the year 1992. From then till now it has assumed the strength and stature of a fully grown tree, fulfilling the academic aspirations of young, budding females of this vast industrial township. The college offers courses in Humanities, Commerce, Science, Business Administration, Tourism and Journalism. It also serves as a study center for IGNOU. Government College for Women, Faridabad is one of the premier women institutes on the academic firmament of Haryana because of its close proximity to the capital city.

The students find the atmosphere of the college conducive enough to translate their dreams into reality. Students have access to fully equipped Computer Labs with internet. Provision of smart classrooms where their learning experience is enriched with e- content, a well stocked library with a great number of books, journals, magazines and newspapers and plethora of extra-curricular activities help students to tap into their hidden talents and realize their full potential.
